With quiet anticipation, we mark the darkest days of the year with a candlelit journey inward at the Garden of Light.

The Garden of Light is a peaceful, meditative event in which participants walk a Spiral. We focus on the theme of light, growing and expanding within darkness, which speaks to participants on many levels.

Many students walk the Spiral during the school day. This evening walk is reserved for adults and family members above the age of 9 years. We offer a light soup, salad, and bread supper at 6:00 pm in the Foyer.

RSVP to communityenrichment@sfwaldorf.org is needed to reserve an apple, candle, and space.
